## Welcome!

Are you on Team Coffee for Art Fight 2018? If so, here's a mini event to celebrate! Coffee Committee is a massive collaboration where users submit event-related images of their OCs (one per person!) to be included in a final image showcasing the creative diversity of our members. All skill levels and character types are welcome!

## Rules and Requirements

- **One** character/image per person, please!
- **DO NOT SUBMIT A HUGE CHARACTER.** They will need to fit in the image without unfairly taking up a large amount of space (not the image size itself!)
- Your image will almost certainly SHRINK. Therefore, please make sure your lines are not super thick! It will make the character hard to read.
- Your character must be **holding or interacting with coffee** in some way. It's our banner!
- You must draw this image yourself.
- The image, if done **digitally**, must have a completely transparent background.
- If done **traditionally**, it must be a clean scan and extracted from its background. I can do this, but only if your image is clear and has high enough contrast!
- The character/image **must not require a mask or filter** in any way. Please review our maturity rules if you're unsure.
- **PLEASE** link / say your Artfight username when you message me. It helps me to know who I should credit, and helps me keep things organized!

## How to Participate

1. Draw your image and follow the rules above.
2. Send a message containing this image to **ORI** either on Art Fight or Discord. Here are my links:
  - **Art Fight:** <https://artfight.net/~ori>
  - **Discord Tag:** ☆ori#7156

3. I'll let you know if there are any problems with your image! You may or may not hear back from me, but I'll try to respond to everyone to let them know they've been included.
4. At the end of the fight, I'll hand the image over to senior staff to be posted with the results of the fight!
