

Job Description:

Video Editor, Graphic Designers, Content Writers, Communications

Location: Chhattisgarh

About Varakriti:

Varakriti is one of India's premier integrated political consulting firms specializing in building data-driven 360-degree election campaigns. We help our clients with strategic advice and implementation which brings together data-backed insights and in-depth ground intelligence into a holistic electoral campaign.

We are passionate about our democracy and the politics that shapes the world around us. We draw on some of the sharpest minds from distinguished institutions and diverse professional backgrounds to help us achieve our goal. The team brings in 7 years of experience in building electoral strategies that spark conversations, effect change and help shape electoral and legislative ecosystems in our country.

What Would This Role Entail?
