Sponges

⊗ Most people have a **sponge** or two in their kitchen. A **sponge**

⊗ is handy for washing dishes and wiping counters. Most of our

⊗ sponges are made by machines, out of wood fiber or plastic. But

⊗ before man - made sponges were **invented**, people used natural

⊗ sponges.

⊗ ~~A natural sponge is, in fact, an animal. It lives in the ocean. It~~

⊗ has no eyes or mouth. It has no organs] at all. It cannot swim. It is

⊗ anchored to a rock and feeds on the bacteria in the water that flows

Situation	Teacher Response	Result
correct	Do nothing	word doesn't have color
Incorrect, substitution, abbreviations, contraction read as 2 words, mispronunciation	Click once	word turns red
Self-corrects within 3 seconds	Click twice	small sc in the corner and word turns green
Correct (but you marked incorrect)	Click three times	word doesn't have color
Student doesn't respond for 3 seconds	Click once to mark incorrect, say the word, and say, "Keep going."	word turns red
Omits word	Click once on word skipped	word turns red
Sounds out word but doesn't say whole word	Click once	word turns red
Skipped Row	Click cross in front of the row	row is crossed out and counted as 0

Nonsense Word Fluency (NWF)

Situation	Teacher Response	Result
Correct letter sounds separate	Tap or draw line under letter sounds	Three separate blue lines under each letter
Correct first sound followed by blended next two sounds	Tap once under first sound and then draw line across the next two (easier on a touch screen or tablet)	One line under first sound and one line under next two
correct blended sounds	Draw continuous line or tap whole word button	Longer blue line
Produces three sounds but one is incorrect	Draw lines below. Click once ON the letter	Blue lines below, Letter turns red
self-correct	Click twice ON the letter	Small sc in the corner
Hesitation on a sound	Mark the letter red and point to next sound, saying keep going (no blue line b/c no sound attempted)	Red on letter, no blue line
Continuously reads whole word and inserts sound	Draw continuous line and tap te slash	Blue slashed line

Correct	Incorrect
Correct letter sounds read in isolation	Incorrect letter sounds in isolation
Correct blends	Incorrect blends
Correct whole words	Incorrect whole words
Correct sounds followed by correct whole word (recoding)	3-second hesitation (<i>tap but don't underline</i>)
Self-corrections	Omission (<i>leave blank</i>)
Added sounds (<i>when reading sound-by-sound</i>)	Added sounds (<i>when reading words</i>)
Repeated sounds	Sounds produced out of order
