Summer Human Resources Internship - Competition Prompt

Description

Welcome to the Summer Human Resources Internship at People First, Inc.! We believe interns are key members of our team, and during your time with us, you'll gain practical experience in managing and supporting the people who make businesses run smoothly. You'll learn the essentials of HR, from recruiting and onboarding to employee engagement and development.

Our clients come from different industries, giving you exposure to a variety of HR needs and challenges. This is your chance to help create a positive work environment for employees while learning about HR practices firsthand.

Our Culture?

Supportive, flexible, and people-focused! At People First, we believe in work-life balance and creating a welcoming space for everyone. We value teamwork, creativity, and open communication, and we make sure to reward hard work. We're looking for interns who are eager to learn and bring new ideas to the table.

What You'll Be Doing:

- Assist in recruiting processes, including reviewing resumes and scheduling interviews
- Help with onboarding new employees and preparing orientation materials
- Support HR team in organizing employee engagement activities
- Learn about employee relations and how to resolve workplace issues
- Work with the HR team to maintain employee records and databases
- Participate in team meetings and provide feedback on improving HR practices

What Success Looks Like:

Success in this internship means gaining a solid understanding of human resources processes while contributing to a positive work culture. You'll leave with hands-on experience in recruiting, onboarding, and employee engagement, all while improving your teamwork and communication skills.

Skills We're Looking For:

- Good communication and people skills
- Organized and detail-oriented
- Eager to learn and take initiative
- Ability to handle confidential information
- Team player with a positive attitude

Judge Interview Questions

- Tell me about yourself.
- Why are you interested in working for this company?
- Give an example of how you solved a problem in the past.
- Tell me what skills you feel are necessary for this position.
- What would your former employer or teacher say are your greatest strengths and weaknesses?
- Give me an example of a time you failed.
- What skills do you hope to gain from this position?
- Give me an example of a time when you did not get along with a peer.
- Why are you a stronger applicant than other candidates?
- Describe your process for solving problems?
