

## **Dr. Lavaley's July 2024 Board Update**

1. Facilities
  - a. Lighting Project
    - i. Things are still on time
    - ii. Materials will start to show up the week of July 29th
    - iii. Timeline is to be completed by August 23rd, with contingency of being done August 30th.
  - b. Redoing carpet in Elementary classrooms has been postponed until next summer. The abatement bumped us to the end of July, which won't work for the school timeline.
  - c. Crows nest landing planks being replaced.
  - d. Lockers that come out, we are working on making those students work spaces. It is looking good.
  - e. Tear down the ticket booth? Weather and rot. Do we rebuild?
