*The Sabin PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. The Sabin PTA welcomes anyone who wants to be involved and make a difference in the education, health, and welfare of our children. We serve as a supportive resource for ideas and initiatives that align with our mission and values; we strive to provide Sabin community members with information, funding, volunteer resources, logistical support and communication tools to implement their ideas. We also work to keep our community members informed, involved and invested in school activities and other efforts to advocate for our children.*

### Sabin's Screening Questions for Equity and Inclusion:

*BBPAC Equity Screening Questions (Black and Brown Parent Advisory Council)*

1. What exactly is the program intended to do?
2. Are we intentionally involving Brown and Black families?
3. Does this create bigger and better opportunities for our students? How?
4. Does this action remove barriers specifically for our Brown/Black students?
5. What can we use to track the success of the action, to see if it is helpful or not?
