School Parent Compact

The Kula School - Parent Compact is an agreement between the school, parents and students that outlines how we will share in the responsibility of educating our students. As a school community, we will focus our School Parent Compact on academic standards to support all students and help them reach proficiency or beyond in reading, writing and mathematics. Below are ways each team member will be accountable for helping to achieve this goal.

Principal Will:

- Provide a supportive environment that allows for communication between student, parent, and teacher.
