

**Call for Abstracts**  
**Joint CGU and IAH-CNC Annual Meeting 2026**  
24–27 May 2026 | Dalhousie University | Halifax, Nova Scotia

We are pleased to announce that abstract submission is now open for the 2026 Joint Annual Meeting of the Canadian Geophysical Union (CGU) and the International Association of Hydrogeologists – Canadian National Chapter (IAH-CNC).

This year's program covers a broad range of themes across the Earth and environmental sciences, including Biogeosciences, Hydrology, Groundwater Science, Solid Earth, Geodesy, and EDI in the Geosciences. Oral sessions will follow the standard 90-minute format, consisting of either six 15-minute presentations or one 30-minute invited talk, followed by four 15-minute presentations. Poster presentations will be organized within dedicated poster blocks. Sessions are convened by researchers across academia, government, and industry, reflecting the diverse and interdisciplinary nature of our community.

As part of the abstract submission process, travel support is available for a limited number of students and Early Career Researchers to help reduce barriers to participation and promote an inclusive and accessible 2026 meeting.

**Key Dates:**

- Abstract Submission Deadline: January 10, 2026
- Meeting Dates: May 24-27, 2026
- Early Bird Registration Deadline: April 24, 2026

Please submit your abstract using the link provided on the conference website:
