

BIZ By Design is my 12-week group program. It brings together self-development & business logic to **unlock** the **golden ticket strategy** for YOUR business.

You can expect a lot of **attention, coaching & support**. This is an indepth coaching container with a high amount of touch points to make significant progress in your life and business.

Support (from a coach who has what you want) helps you achieve **more money, time, freedom, choice, adventure, friends, travel, ease, impact, consistency & well-eath**.

BIZ By Design is for you if you're an established coach who is already posting online, has at least 1 program and/or has strong transferable skills to contribute to their new business but craves more personalised support because:

Support cures:

- Avoiding courageous action
- Getting distracted
- Indecision & overwhelm
- Negative self-talk
- Emotional isolation
- Delaying brave action

Support enables:

- Accountability
- Direction & focus
- High standards
- Resources & sharing
- Authenticity

You'll leave BIZ By Design with:

Consistent time for rest, self-care & fun
Your high ticket offer created
Your sales strategy down pat
Clients purchasing your offers
Business automations that streamline workflow & client journey
Establishing global standards to be a legitimate online brand
Establishing healthy boundaries with your phone, clients & work
Hit consistent 5, 7 & 10k/months without more hustle, delay or burnout
