**RTE ACT 2009 – Andhra Pradesh**

Government of India have enacted Right of Children to Free and Compulsory Education (RTE) with a view to provide free and compulsory education to all the children in the age group of 6-14 years till the completion of elementary education. Govt. of Andhra Pradesh was formulated RTE Rules on April 10, 2010 and implementing RTE Act in the State

As part of implementation of RTE Act, the govt. activities hereunder:

- 1) As per norms, identified habitation having school facilities.
- 2) As per RTE entitlements, Govt is providing 2 pairs of Free Uniform distributing to government school students, who are studying class 1<sup>st</sup> to 8<sup>th</sup> class.
- 3) To mainstream the OoSC children, running special training centers to OoSC after that the children will be mainstreamed to age appropriate classes in school.
- 4) As per RTE act, giving training to School Management Committees / Parent Committees, representatives of local body institutions.
- 5) As per RTE 2009, Teachers Rationalization conducting regularly to maintain Teacher pupil ratio in schools.

- 6) With the support State information & broadcasting department, give wide publicity on the RTE act 2009.
- 7) Necessary steps taken to implement 8 years elementary cycle.
- 8) To receive suggestion on implementation of RTE act, to register complaints on RTE act a Toll free number (1800 4258 599) established.

Eventhough Government is taking various steps to implement RTE act in the state still facing some hurdles. Community support required, while implementing the RTE. Hence, Community, School management committee/Parent committees, Local body institutions representatives regularly review the RTE act in their Habitations and give their support.

### Chapter - 3

#### Habitation Education Plan – Grama Sabha Resolutions

During the Grama Sabha, present the education targets and achievements of Habitation and report the education sector current status and discuss in detail and also address the solutions to the issues. Further, Grama Sabha pass resolution on discussions.

- ❖ School Facilities, Enrolment, Retention, Quality Education, physical Infrastructure facilities etc., in the Habitation.
- ❖ Reasons for not achieving the Targets in the Habitation.
- ❖ Resources (Human, Physical, Social) required to achieve the targets.
- ❖ Action plans and Implementing Strategies to achieve the targets within the specified time lines.

#### Discussion points

##### 1. School Access

- ❖ Discuss the importance of new school requirement / existing school up gradation in the habitation.

.....

.....

.....

.....

.....

.....

.....

- ❖ How many children to be enrolled in the existing KGBV / Residential Schools? Who will take the responsibility?

.....

.....

.....

.....

.....

.....

.....

❖ How many children required Transport allowance? What type of Transport will be provided?

❖ Discuss about the Transport allowance action plan, implementing strategies and responsibilities

## 2. Out of School Children Enrolment (6-19 years)

- ☐ Place the Out of School Children details child wise in front of the Grama Sabha and discuss the specific reasons in the grama sabha. Apart from that, discuss about the Children with Special Needs (CWSN) learning abilities and highlight the Samagra Shiksha special assistance and benefits (Transport & Escort Allowance, Free Aids & Appliances, Ramps etc.,) and highlight the importance of CWSN Student enrolment.

.....

☐ As per the above said issues, write the strategies to enrol all the Out of School Children in the habitation?

.....

.....

.....

.....

.....

.....

.....

### 3. Quality Education

**(Discuss the Quality education related items of School Development Plan to be discussed in the Grama Sabha)**

☐ Discuss the learning outcomes of students and adoptable strategies to improve the learning outcomes in the habitation.

.....

.....

.....

.....

.....

.....

.....

☐ How do you take the SMC/Parent committee support while achieving the target of quality education in the habitation?

.....

.....

.....

.....

.....

☐ What are the steps taken to implement “Pade Bharath Bade Bharath” activities in all schools in the Habitation.

[illegible]

- Discuss about school wise student average attendance and highlight the steps to improve the student attendance.

- .....
- .....
- .....
- .....
- .....

.....

.....

**6. Teachers**

- What are the steps taken to provide teachers to fulfil the shortage of teachers in the schools in coordination with community in the Habitation?

.....

.....

.....

.....

.....

.....

.....

**7. What are the steps taken to prevent child rights in the Habitation and provide toll free number (1800 425 8599) usage details?**

.....

.....

.....

.....

.....

.....

.....

**8. To implement R.T.E.2009 completely, what are the steps taken in the habitation?.**

.....

.....

.....

.....

.....

.....

.....

**9. To implement Rashtriya Aavishkar Abhiyan in schools, what are the steps taken?.**

.....

.....

.....

.....

.....

.....

.....

**10. What are the activities conducted under Swach Patashala programme?.**

.....

.....

.....

.....

.....

.....

.....

**11. Is there any incidents reported in the habitation related to children on below issues?**

Issue / Incident	Incident Happened? (Yes / No)	If Yes Specify the No. of Children			If yes please specify brief details below.
		Boy	Girl	Total	
Child Marriages					
Child trafficking					

Child labour pockets					
Selling Children					

- Based on the above information what are the steps taken in the Habitation.

.....

.....

.....

.....

.....

.....

.....

- What are the strategies, precautionary measures taken to resolve the above said issues / incidents in the Habitation and also specify the details of victims?.

.....

.....

.....

.....

.....

.....

.....

**12. Plan implementation - Reviews**

Review the education targets as per the grama sabha resolutions every month and the review meeting dates also pre-fixed at grama sabha including monitoring strategy and plan.

**Head Master Sign**

**School Management Committee Chairman**

**Gram Sarpanch Signature**

*Note: Excluding the above discussion points, discuss other issues related to education sector requirements of habitation and record it, if required use additional pages for it.*

### **Annexure**

- ☐ The Habitation Education plan consists of 3 chapters. These Habitation Education Plan chapters prepared after consolidation of all schools development plans of Habitation.
- ☐ Each Habitation (including School less habitations) must prepare separate Habitation education plans.
- ☐ Each Habitation must prepare habitation education plan and submit it to Mandal Education officer, after that MEO will prepare mandal education plan. Once Mandal Education Plan prepared, MEO will return the habitation education plans to respective habitation. Every month SMC/Parent Committee will review the plan implementation in the habitation.
- ☐ If any habitation having more than 2 schools, MEO to choose one HM from the schools, he/she will prepare habitation education plan.
- ☐ During the preparation of Habitation plans, HM needs to collect 6-19 years age total children, out of school children details from various schools in the catchment area.
- ☐ During Grama Sabha all Schools HMs, Teachers must participate and present their student learning levels of their schools. Also, explain RTE Act implementation in their schools.
- ☐ As per the instructions of MEO HM has to prepare School less habitation (as per RTE Norms) Education Plan.
- ☐ After Grama Sabha Resolution Head master and Grama Sarpanch has to sign in the plan on chapter 3.

**Habitation Education Plan Committee: Write the name, address of committee members and the members must sign on the plan copy.**

#### **Chapter - 1**

Chapter – 1 consists of General information including population, literacy, education facilities, children particulars (Tables 1 to 11) to be filled.

#### **Chapter - 2**

Chapter – 2 consists of Habitation Education Facilities, Children details who need Transport Allowance, School Age children, Student Enrolled in the school, Out of School Children, Names of OoSC CWSN children, Students progress and previous year activities & progress from Table 2.1 to 2.12 to be filled.

***Escort Allowance to the CWSN Children: Escort allowance Rs. 300/- per month provided to the CWSN child, Who are residing in the village and they are unable to attend the school without others support..***

### **Chapter - 3**

This chapter consisting of discussion points, which are to be discussed in grama sabha. The discussion points consolidated information placed in front of Grama Sabha and discuss it in detail, record the resolutions issue wise.

- ❖ Chapter 3, first item: Steps needs to be taken on School less habitations to establish new school for providing education facilities in the habitation. If any habitation is not viable for establishing new school, in such cases possibilities will be discussed in grama sabha on alternatives viz., Transport allowance, Residential School, KGBV and record the resolutions.
- ❖ Chapter 3, second item: Strategies to enrol the “Out of School Children”. The details mentioned below:
  1. 6 – 19 years: Direct enrolment in the school / neighbourhood habitation school.
  2. 9 – 15 years: Propose NRST If any habitation having morethan 10 OoSC children, propose RSTC If any habitation having lessthan 10 OoSC children.
  3. 16 – 19 years: If habitation having never enrolled and long-dropouts, then submit the proposals to APOS/NIOS.
