

Chicken Breeds

SMEC Trial Event

Participant Limit: 1 person (sorry, this was previously said to be 3 people; that has been changed to streamline the ranking process)

Resources: Open note, **open internet**, NO reverse image searching (i.e., software that takes an image and searches using that instead of typed text), NO consulting others. I am aware this is hard to enforce. It's a meme event and it's all honor code anyway. If you want to cheat and brag that you won an event on chicken breeds, be my guest.

The Event: Competitors will be tested on the care and keeping of chickens, identification of chicken breeds, trivia about the breeds, and other topics pertinent to chickens.

Breed List:

White Leghorn
Rhode Island Red
Cornish Cross
Plymouth Rock
Brahma
Wyandotte
Faverolles
Buckeye
Silkie
Ameraucana
Americana (Easter Eggers)
Araucana
Polish
Orpington
Cochin
Mille Fleur d'Uccle
Silver Spangled Hamburg
Showgirl

(note: when googling, it is recommended to append "chicken breed" to avoid strange results)
