### **Main focuses from 2024/25 academic year**

#### **2024/2025**

- Align the values to PSF to complete 2024 -25
- Maintain the guidance and update
- Increase Reviewers by offering reviewer training 2025
- Streamline reviewer form and trial the new submission process.
- Working group members responsibilities
- Find a new chair

The working group have been working towards the annual objectives listed above. Work flows have been worked through and members of the working group are taking responsibilities for the writing retreats and annual reviewer training. A new chair will be found by the end of July.

There has been a total of 45 CeLP and 97 CeP qualifications awarded to date. Four new reviewers were training and integrated into the review within the new structure of recruitment windows.

### **Priorities for the coming academic year 2025/26:**

These priorities will be discussed when a new chair is found.

---

### **Want to get involved in the PRWG working group?**

All you need is a CeP or CeLP award and attend the reviewer training in July 2025.
