

Mentors - 7/23/12

Just a reminder. PRT has two Mentors. these Huntresses are experienced and very knowledgeable , not only in being PRT but what it is to be a Huntress in Gor playing a realism role. Our Mentors are here to help, guide and teach not just the cubs but even some of us elders like ((Maya)) to play and live IC'ly the role of a true Panther. I encourage you all to listen to them, go to them and respect their knowledge. Alehna & Sidney were chosen because of their long history playing Panther & desire to help.
