

Mission - to lessen the impact of homelessness in the Tri-Cities region.

Change the Trend is not a service provider, but serves service providers by offering three benefits:

1. Opportunities to get to know other stakeholders in the region
2. Increases in the level of collaboration in all individual work
3. Opportunities to take collective action around homelessness

plentiful
people and food, connected

Plentiful Overview for Change the Trend

Built on experience:
Connecting NYC neighbors and providers.

66% Market Penetration; with 300+ active monthly providers¹

11.5MM+ Total Visits²

88% Cut in Wait Time³

“Walking up to the church, and seeing only one person waiting in line was pure magic! All the guests really love the new set up.”
Christina Bowman
Director of Outreach @Xavier Mission

“I just downloaded and installed the Plentiful App, which helps you find food pantries all over New York City, and I love it!”
Julio Rosario
Client @ St. Clement's Food Pantry

Plentiful builds **tools** to *enhance* the food access system.

For People

Accessible mobile app in 9 languages with privacy-preserving functionality to make finding, registering for, and reaching pantries easier

For Providers

Easy-to-use tools to pre-register, check in clients, and help them get food quickly, with communications available in 9 languages + reporting

For Partners

System-level reporting and insights, providing actionable data for providers, networks, and communities about demand and supply gaps

What is Plentiful for Neighbors: On-demand tools **for people** to find and access help.

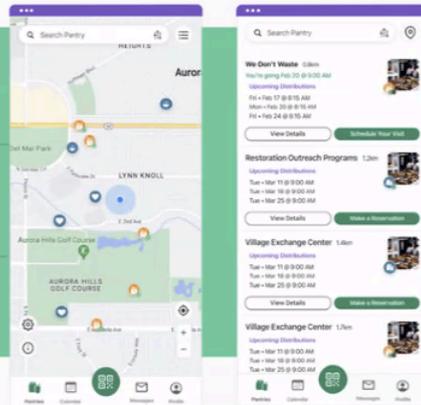

Access via SMS, Android, iOS, or web in nine languages

Navigation services to find nearby providers and convenient pick-up times

Directories with up-to-date service information

ID systems that streamline registration, reduce wait times, and capture vital information like TEFAP

Direct messages from providers and the ability to send feedback

What is Plentiful for Providers: Tools for providers to work faster and better.

Digital Intake

to streamline and automate check-in

Easy-to-use messaging

to reach people in their native language with up-to-date information in real-time

Automated reporting

to track and compile data for easier impact reporting

Plentiful builds **tools** to *enhance* the food access system.

Chat

Amelia: SAME Cafe is also a resource for bus tickets now too! Monday-Friday 11am-2:30pm they can have lunch and receive 2 bus tickets with 30 minutes of volunteer time.

TEFAP - The Emergency Food Assistance Program:

<https://www.fns.usda.gov/tefap/emergency-food-assistance-program>

I have to jump off the call. Thank y'all so much! I would love to have a 1-pager about how to get added to the plentiful for partners. amelia@soallmayeat.org

Hello, I would like to get added to the plentiful list for partners.

Please feel free to put your email in the chat and I will reach out to you or email me after Julie sends the recap. Happy to chat through what you need and learn from the community always.

lauren@plentiful.org

Email foundation@gracefullcafe.com to get on the Older Adult list!

Thank you Kelsie, Julie and team. Happy to know you and the team are there serving and considering the needs of our older adult population. Will keep resources in mind!
