KEYWORDS

Vigor - this is the primary resource for the Spiritborn class

Ferocity - Ferocity increases your Attack Speed by 5% per stack. This effect stacks up to 4 times and each lasts for 4 seconds. (This is mostly associated with Jaguar)

Resolve - Resolve increases your Damage Reduction by 20% while active. Taking direct damage consumes a stack. You can hold up to 8 stacks. (This is mostly associated with Gorilla)

Unhindered - Unhindered characters can move through enemies and their Movement speed cannot be reduced.

Mystic Circle - Some aspects provide a chance to create a Mystic Circle for 10 seconds. These same aspects also empower skills while you remain within the circle.

Main Stat - Dexterity is the Spiritborn's damage stat

Weapon Types

The Spiritborn can only use three two-handed weapon types. There was no indication that they would have any access to one-handed weapons although that may be coming.

Glaives: [17-32]% Damage to Elites

Quarterstaff: 10% Blocked Damage Reduction | 40% Block Chance

Polearm: Damage to Injured?

SPIRIT HALL

This is the Spiritborn's unique class mechanic. They can activate 1 Major and 1 Minor Spirit Guardian at a time to empower their entire kit. In the test you could Swap Spirits at any time and mix and match in any way you wanted. Notably the Major Spirit Guardian choice will add it's tag to all skills

Major

Jaguar

Every 4th time you deal direct damage to an enemy with a Jaguar Skill, unleash additional slashes dealing 100% of the damage of the 4 hits.

All Skills are now also Jaguar Skills.

Eagle

Casting an Eagle Skill grants 2 Storm Feathers, up to a maximum of 8. When you Evade, all Storm Feathers are fired dealing 100% Lightning damage and making targets Vulnerable for 3 seconds. [Note: this did appear to focus fire bosses]

All Skills are now also Eagle Skills.

Gorilla

Casting a Gorilla Skill deals 100% Thorns to enemies you hit and grants a Barrier for 10% of Maximum life (#), up to 40%, for 3 seconds.

All Skills are now also Gorilla Skills.

Centipede

Hitting an enemy with a Centipede Skill reduces their Damage by 2.5% and Slows them by 10% for 3 seconds, stacking up to a maximum of 8 times.

All Skills are now also Centipede Skills.

Minor

Jaguar

Maximum Ferocity is increased by 1. Gain 1 stack of Ferocity whenever you kill an enemy or damage a Boss.

Eagle

For every 4 meters you move, your Critical Strike Chance increased by 4%[+]. This bonus is reset 2 seconds after you Critically Strike.

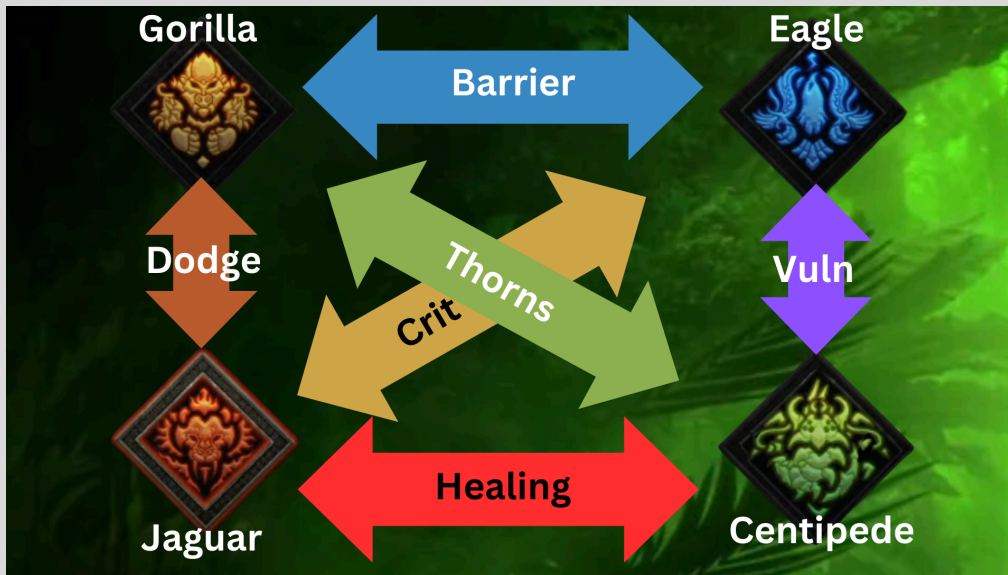

Gorilla

Maximum Resolve increased by 2. When you have at least 5 stacks of Resolve, you are Unstoppable.

Centipede

Heal for 1% of your Maximum Life, for every Nearby enemy you've poisoned in the last 3 seconds, up to 5%.

THEMES

While each Spirit Guardian has things that it specializes in there is also overlap between the classes. This really encourages you to mix-n-match skills from different guardians because there are synergies all over the class.

Mystic Circles

There are several Aspects that allow the player to summon Mystic Circles which empower certain skill types within them. All of these aspects can be found in the [ASPECTS](#) part of the document and are called ____ Power. Each of these aspects offer a lot of power such as the Plains Power Aspect featured below:

Lucky Hit: Up to a 25% chance to create a Mystic Circle for 10 seconds.

Casting a Jaguar Skill in Mystic Circles empowers them to keep your Ferocity at Maximum and increase your damage by [3-6]% per stack while you remain within.

SKILLS

Skills generally do the damage type of their base Spirit Guardian. Physical for Gorilla, Lightning for Eagle, Fire for Jaguar, and Poison for Centipede.
