

Dear Friend of C.E. Byrd High School,

The C.E. Byrd's annual open house is coming up quickly! This is our premier open house event hosting hundreds of prospective students. Last year, we had over 500 students come to tour the city! We look forward to that number being even larger this year! I am working to gather sponsorships for the open house this year for the prospective freshman class of 2026. We would love for everyone to come be a part of the BUZZ!

Our recruitment process is a year long event! There will be three opportunities for people to tour throughout the year. The fall open house is the first one and is our BIG traditional open house with a complete tour, informational meeting and topped off with a pep rally full of jacket pride. There will be two other open house options throughout the year. At these, students have an opportunity to create a more specialized tour to look at more specific interests, such as the magnet program, the gateway program, the athletics, the arts, the many different clubs and all of the many other wonderful things that Byrd is able to offer to our students. We would not be able to make any of these events happen without your support! With the many open house options, your sponsorship will be recognized all year long! We are so grateful for any support you are able to offer! I have attached the sponsorship form for your review. We hope that you will consider being part of the BUZZ! Thank you for your support and please let me know if you have any questions.

Sincerely,

Erin J. Dicharry, C.E. Byrd Open House Chairman
