

SL: Are Your Facebook Ads Really Good Enough?

Hello Mark,

I stumbled across one of your Facebook ads on my feed for over 2 weeks.

Do you believe your Facebook ads have reached their best potential? Why is it not getting the attention and engagement that it deserves?

Well, with all the respect, I know a better ads that has better engagement and much attention-grabbing.

Let me get straight to the point, I wrote a refined version of the Facebook ads for you in my free time. You will able to find it once you are done reading my email.

You can have a quick read about the ads I wrote for you in your free time.

What do you think of my Facebook ads? Do you find it to be helpful?

If yes, are you available to go through it with me on a call next Tuesday <date>, I assumed you are currently in Dubai.

What do you think about doing this on around <X times - X times>?

Best regards,
