Dear Glasgow High School Rising Seniors and Senior Parents!

Students are invited to join us for Glasgow's C**ommon Application/Essay Workshop** on **Monday, May 18th from 1:30 to 3:00 pm at Glasgow High School.**

The workshop will be hosted by Sam Case of **CollegePrep** in Louisville Ky. Sam is the Founding Consultant for CollegePrep, a private consulting practice that works with families around the world to develop competitive college applications.

Who should consider this workshop: Seniors who are applying to several colleges that utilize the Common Application, typically 5 to 10. This includes most colleges that are outside KY.

Who should not consider this workshop: Seniors who are applying to a smaller number of colleges, typically 3-4. Those applying to only our KY public universities such as **WKU, UK, UofL, EKU** may prefer to submit the colleges own applications as these school specific applications are streamlined and can make the application process more efficient. GHS will host a college application day in the Fall to help students complete these applications.

What will happen in our workshop: We will review/activate the Common Application and discuss the application process, including sharing insider tips on how to create the best Common Application.

We'll brainstorm your personal essay and share examples and resources to help you create your essay over the summer. We'll also cover the recommendation letters (counselor/teacher/outside recommenders) and the process to ensure you have the best possible recommendations.

Your essays and recommendations are becoming increasingly more important in the application process, this workshop will set you up with everything you'll need to develop the strongest possible college applications.

RSVP is required for this workshop by May 15th as we need to have a final headcount for the workshop and be able to notify your teacher that you will be attending. Please complete the attached registration form to reserve your spot here: Common App Workshop Sign up
Please reach out to Mrs. Bunch at lorie.bunch@glasgow.kyschools.us or 270-651-8801 if you have any questions.
