

## Authors Undertaking

This document must be signed manually by the corresponding author, and a scanned copy must be sent to the journal editor. I/We, the undersigned, give an undertaking to the following effect concerning the mentioned article that was submitted for publication in the Healer Journal of Physiotherapy and Rehabilitation Sciences (HJPRS)

<b>Manuscript Title</b>	
-------------------------	--

1. The manuscript submitted is our own original work. All listed authors have made a significant scholarly contribution to the work, have participated sufficiently in the research, and take public responsibility for its content.
2. All authors have read, reviewed, and approved the final version of the manuscript as submitted. The authorship details provided during submission are accurate and complete.
3. The manuscript has not been published previously and is not under consideration for publication elsewhere.
4. The authors agree to publish the article under the Creative Commons Attribution 4.0 International (CC BY 4.0) License, and the authors retain full copyright of the manuscript.
5. The authors grant HJPRS a non-exclusive right to publish, reproduce, distribute, archive, and make the article publicly available as the original publisher, without transferring ownership of copyright.
6. Any third-party material included in the manuscript (figures, tables, images, or text) has been used with appropriate permission, is properly credited, or is already covered under a compatible open license.
7. The research was conducted in accordance with recognized ethical standards. All necessary ethical approvals, consents, and legal permissions have been obtained where applicable.
8. The manuscript contains no libelous, defamatory, unlawful, or misleading statements and does not infringe upon the rights of any individual or organization.
9. The authors take responsibility for the content of the article. In the event of substantiated ethical concerns, misconduct, or copyright issues, the journal will handle the matter in accordance with COPE retraction and correction guidelines, ensuring transparency and due process.
