

What you need to know about The Share Program

2024-2025

6th Grade through 8thGrade ONLY

Point of contact : JaQuerra Ali

jali@cityneighbors.org

Open Enrollment for Share: 08/5/2024 - Last Date to sign up: 09/013/2024

What is Share?

The *SHARE* Program was started by the Diversity & Inclusion committee. *SHARE* is a membership- based program that provides the majority of your students required school supplies. All CNCS families are encouraged and invited to join. A reasonable fee is required.

What a Share membership buys:

Through *SHARE*, members will be able to purchase their children's school supplies for a fraction of the cost of driving, parking, hunting and standing in long back to school lines. We make the effort so you don't have to!

Support for some of the CNCS operational costs- As a buying cooperative, we can buy in bulk, ensuring that students and teachers have the supplies they need all for the whole school year.

Support economic diversity in our community! A portion of your *SHARE* membership goes to support students and families who may need assistance to obtain such needed school supplies.

Note: *SHARE* includes classroom supplies as well as supplies for art and music classes. It does NOT include personal items like backpacks, lunch boxes, or smocks.

What do you need to provide if you choose to sign up for the share program ?

1. Book bag
2. Lunch box
3. Water bottle
4. Art smock

How much will this cost ?

1. The cost is \$65 **per child**, financial assistance is available.

How to sign up?
