Be An ATTENDANCE HERO!

This month we will be celebrating the grade level that has the best attendance rates! A special prize will be awarded to the classes that can achieve this goal. Stay tuned!

The Power of YET

The word "YET" enables us to have a can-do attitude, and helps us work towards reaching goals!

- ☐ I can't ride a bike...YET!
- ☐ I can't read this book...YET!
- ☐ I can't draw that shape...YET!

Message from the Principal

We have had a wonderful start to 2023 celebrating perseverance and getting back into the swing of things! These winter days can be cold and hard, but our message this month has been to keep trying and to push through challenges and obstacles. We are so thankful to the caregivers for continuing to get students to school on time, and will be celebrating classes that have the best attendance throughout the month. The bright shining faces will be what gets us through to the spring and sunshine! Go Purple!

Purposeful People

This month we learned all about PERSEVERANCE! We saw so many students persevere through challenges and worked on not giving up!

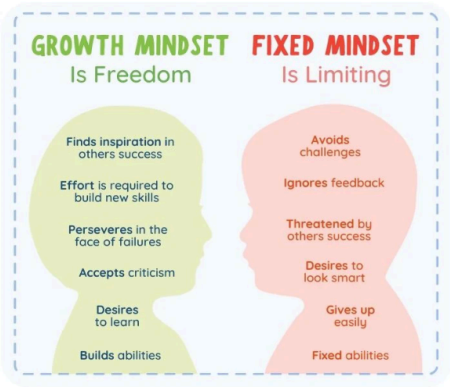

PERSEVERANCE
is pushing yourself to work through challenges and obstacles

This month we caught 63 students showing PERSEVERANCE!!
