

BUILDING FUTURES TOGETHER

North Dallas P-TECH at Dallas College - Brookhaven
3120 N. Haskell Ave.
Dallas, TX 75204

Dear Class of 2029 Bulldog!

Congratulations on your acceptance into North Dallas Pathways in Technology Early College High School at Dallas College Brookhaven! We look forward to the 2025-2026 school year and are excited for you to be joining our North Dallas P-TECH family!

Please carefully review the following characteristics of North Dallas P-TECH at Brookhaven - Early College High School:

North Dallas P-Tech Early College High School at Brookhaven Community College provides every student a rigorous high school and college curriculum. While enrolled in ND P-Tech, it is expected that each student will perform successfully in every high school and college course in which he or she is enrolled. These expectations as applicable include, but are not limited to:

- Passing all high school courses with a minimum average of 70.0
- Completing and passing all college courses with a minimum grade of C
- Maintaining an overall College GPA of 2.0 or higher
- Meeting annual promotion requirements for advancement to the next high school grade level
- Maintaining a 96% Attendance Rate for all high school and college classes
- Meeting all TSI readiness standards as required by fall semester junior year
- Understanding that curriculum will be delivered through individual research and learning, collaborative group-based learning, and Project Based Learning
- Understanding the student's selected pathway (Computer Information Technology "CIT", or Emergency Medical Technician "EMT"), courses, and course requirements
- Understanding the responsibilities of both students and their parents/guardians.
- Student will be required to use district transportation to Brookhaven College at all times

Student/Parent Acknowledgement and Promise of Commitment:

I, _____ (print First/Last Name), understand and have been informed that I must take and pass all courses and state assessments required by the attached 4-year plan, to be eligible to graduate and participate in the graduation ceremony, as well as, receive up to an Associates of Applied Science Degree.

Our signatures below attest that we have read and understand the characteristics of North Dallas P-TECH Early College and commit to attend North Dallas P-TECH Early College for the 2024-2025 School Year.
