(all the info in this doc are just a rough approximation as to how this project will work, rounds will be finalized right at the first announcement for the said round)

PRELIMINARY ROUND:EVALUATION

Everyone is welcome to join! From this round, we will be evaluating everyone and giving them a grade from A-F (A being the highest, and F being the lowest) and like in Produce 101, parts for the first song, Pick Me, will be split depending on your given grade (like in Produce 101, F will not be singing). Everyone who joins will be invited to join Pick Me, however, **not everyone will be passing onto the next round** (please see Round 1).

ROUND 1:GROUP BATTLES (76)

MAY 27TH: RECORDING DEADLINE

MAY 27-MAY 31: VOTING PERIOD + WILDCARD

Members of A (if there is not enough members in A, then members in B will be given priority to be a leader) will be given the privilege to decide on the song and members they would like to collab with of their choice, also allowing them to make the final decisions on the roles of the members of their group.

Those who are not chosen will be eliminated from the competition. The group that has the most amount of likes& comments will receive additional points onto their personal score with a minimum of 10 points; the number of likes will be divided amongst the members as points for themselves (ex. If the winning groups received 40 likes and they have 4 members in that group, each member will get 10 points). This round, public voting will begin; the audience will be able to vote for each individual.

WILD CARD (15-0): Everyone will get a chance to vote for their favourite collabs, 1st place will get 15 points, 2nd place 14 points, etc. Last place will not be receiving points. There will be 3 special guest judges that will participate, each of their votes will add 5 votes into the final votes. This voting will take place once everyone has handed their parts in. From the last round, 26 with the least amount of votes will be eliminated from the competition. The person with the most votes in each category will get 250 votes added onto their personal scores. The person with the most votes FROM THE JUDGES in each song will get 100 points. JULY 8-22: RECORDING PERIOD (changed to 12-26th)

JULY 22-28: VOTING PERIOD (changed to 26th-August 1st)

RESULTS FOR THIS ROUND WILL BE POSTED ON August 2nd.

Only those that have received a B or higher from last round may join this round. The top 20 members will be split into two groups to cover the debut song, Crush. Pick order will be dependent on rank order. Each position will have two spots (TEAM A vs TEAM B), once those spots are filled, they are closed and the trainees in lower ranks will pick from the remaining positions. The audience will choose top 5 coverists and the people who gets the most votes will have 300 points added to their final score. Judges in this round will be rewarding 200 points each to 3 people.

FINAL LINEUP

The top 6 people with the most votes will become a semi-permanent group, covering a total of 6-7 songs together. However, all As as well as a few selected Bs will be given the opportunity to join LCC's first generation of coverists as all of them will be re-covering Crush as their debut and will be produced by the best audio mixer in our Youtube community, [WillRubert](#), the audio mixer for [4PLUS1](#) and [SPARK](#). TLDR; the top 6 will be a permanent group while all As & selected Bs will be given the opportunity to be freelancers in LCC.

BONUS: Besides the top 6, the judges have the option to add ONE more person to the group of their choice. However, this is not guaranteed.

PLEASE NOTE:

- The round will go on regardless of whether or not submissions have been sent in for that round; it will simply continue without you. I will not go chasing 90 people for parts.
- All rounds will be given a 3 day voting period. Vote count & up-to-date ranks will be released 2 days after.
- PLEASE be dedicated if you choose to join, I do not wish to see people back out halfway or not hand in their lines. Being that this is a 90 people event, I will be fairly strict with deadlines.
