

Indian Visas - Guide to Indian Visa Types

In the last few decades, there were several modifications made by the Government of India about the visas being issued to foreign nationals. There have been openings of some new limitations to the present visa offerings. Below is a fast overview in the Indian visa kinds.

Tourist: All these are issued for holiday and travelling functions and have a maximum remain cover of six weeks. In a brand-new rule released by the Government of India, it currently limits the re-entry into a gap of two weeks so as to suppress people who optimise with a quick couple of days break after fourteen weeks.

With no limitations like the tourist visa, which may be extended every six weeks without even departing the nation [Indian Visa](#).

Employment: This visa is for foreigners who wish to operate in India to get an Indian documented thing. These are issued for a duration of one year and may be employed for renewal over the nation. Employment evidence from the business and earnings of \$25,000 or more annually will be the prerequisites. The sole exceptions to this rule would be such as

volunteers, foreign language teachers, translators, cooks and High Definition and Embassy members.

Student: That is given to foreign nationals who would like to examine in India in an accredited college. This also includes studies in yoga, Indian dancing and songs along with Vedic culture. This can be issued for five decades and could be re-applied for over the nation. The "Yoga Visa" issued for studying yoga can also be a part of this application.

Business: That can be issued to entrepreneurs who want to research and put up business opportunities in India.

Seminar: All these are problems to delegates and foreign dignitaries that were encouraged by the Government of India to attend conventions.

Journalist: Professional journalists and journalists linked with news and press bureaus are eligible for this visa. All these don't exceed three weeks.

This visa has a limitation of six months.

Medical: Any individual seeking to avail medical therapies at technical hospitals for certain ailments are given this visa.

Transit: This visa has a cap of just 72 hours and can be employed for onward travel stopovers
