

Red Mountain Athletics Passes

Pass Type	Cost	Who Should Purchase This Pass
ADULT SCHOOL PASS	\$50 per adult	Parents would purchase the ADULT SCHOOL PASS if they have a student playing multiple sports or more than one student playing one sport each. If they had a football player and a girls' volleyball player, regular entry would be a total of \$70 and the \$50 season pass would be less expensive.
STUDENT PASS (13 and older)	\$40 per student	The STUDENT PASS gets students into any athletic event all year. If the student attended 5 football games, 5 volleyball games and 5 basketball games, the cost would be \$75 at the gate. Students would save \$35 by purchasing the student pass.
PER SPORT PASS	\$25 for football \$40 for volleyball \$45 for basketball \$35 for soccer \$35 for girls' flag football	This is the total cost to purchase a ticket at the gate for each sport. It is less expensive to purchase a PER SPORT PASS because the convenience fee is only charged once instead of each time a ticket is purchased separately.
MPS DISTRICT ADULT PASS	\$75 per adult	The MPS DISTRICT ADULT PASS gets any adult into any game at any MPS location. To attend all home football games, all home basketball games, and six more MPS events, the total cost is \$100. An adult would save \$25 by using this pass.
MPS DISTRICT STUDENT PASS (13 and older)	\$60 per student	If a student attended all home football games, all home basketball games and six away games at district schools, the total would be \$100. Students save \$40 by purchasing the MPS DISTRICT STUDENT PASS.
GENERAL ADMISSION	\$5
