

This is the draft of the first chapter in Task Force Six! I promise the final draft will look better, but for now, enjoy what I do have.

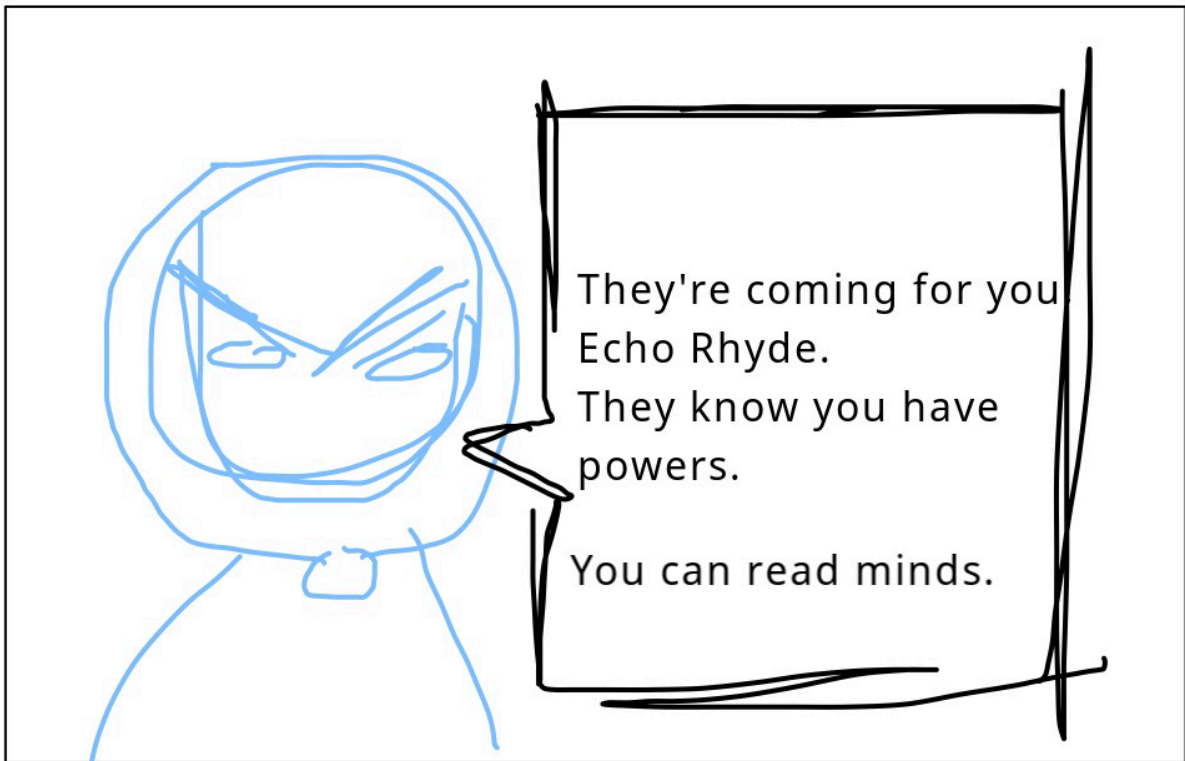

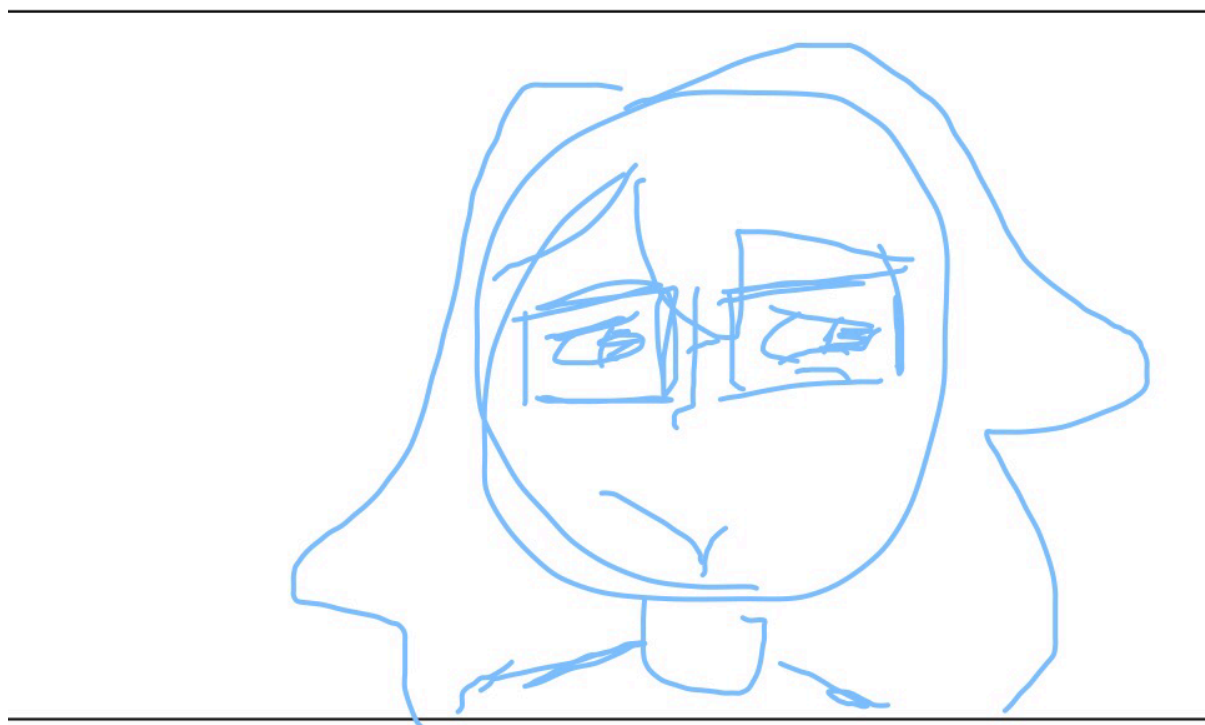

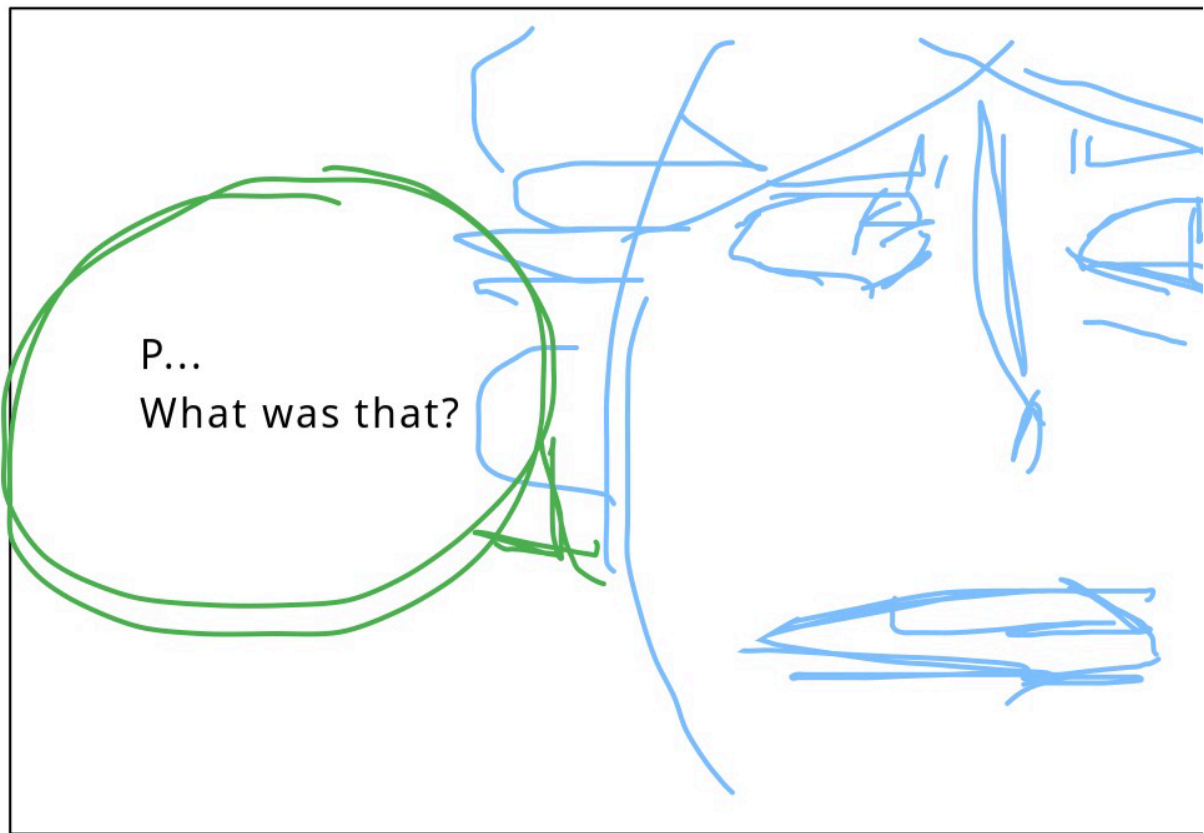

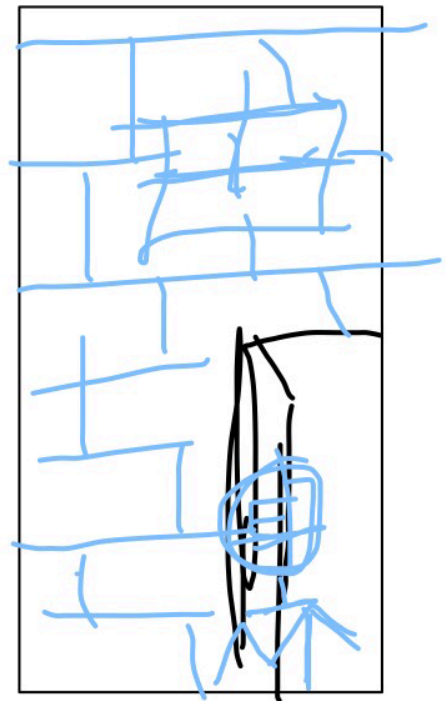

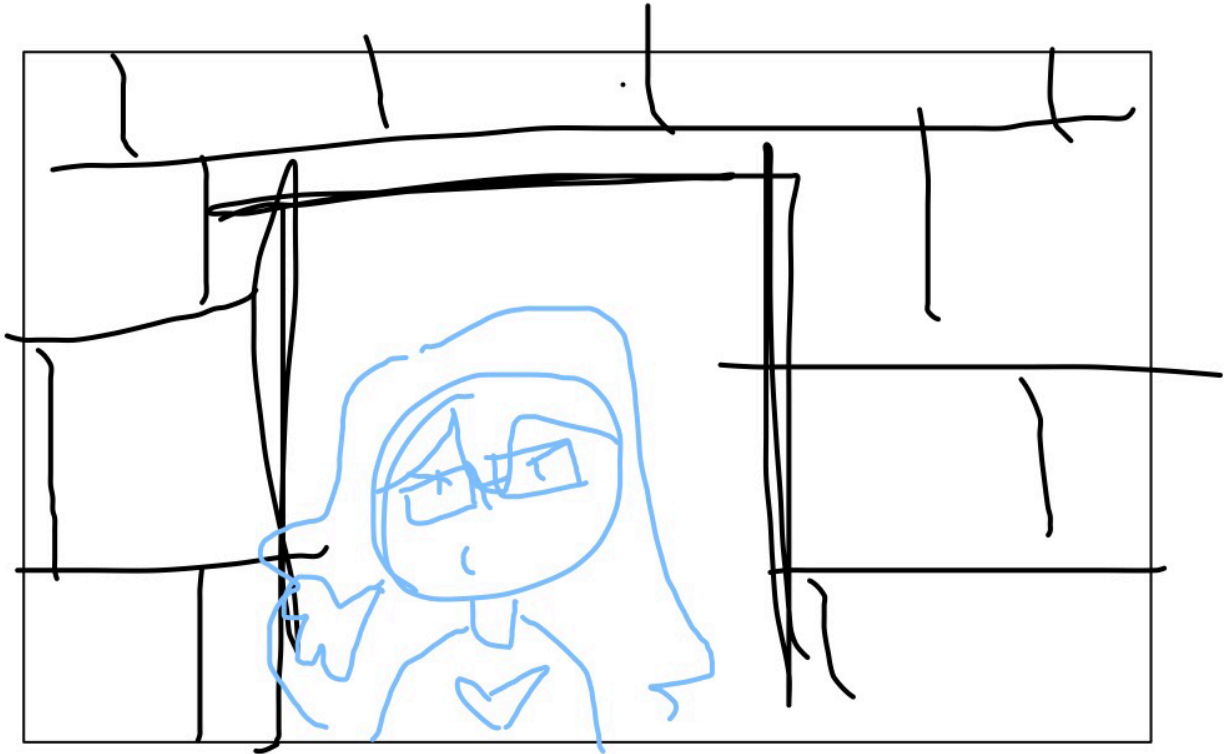

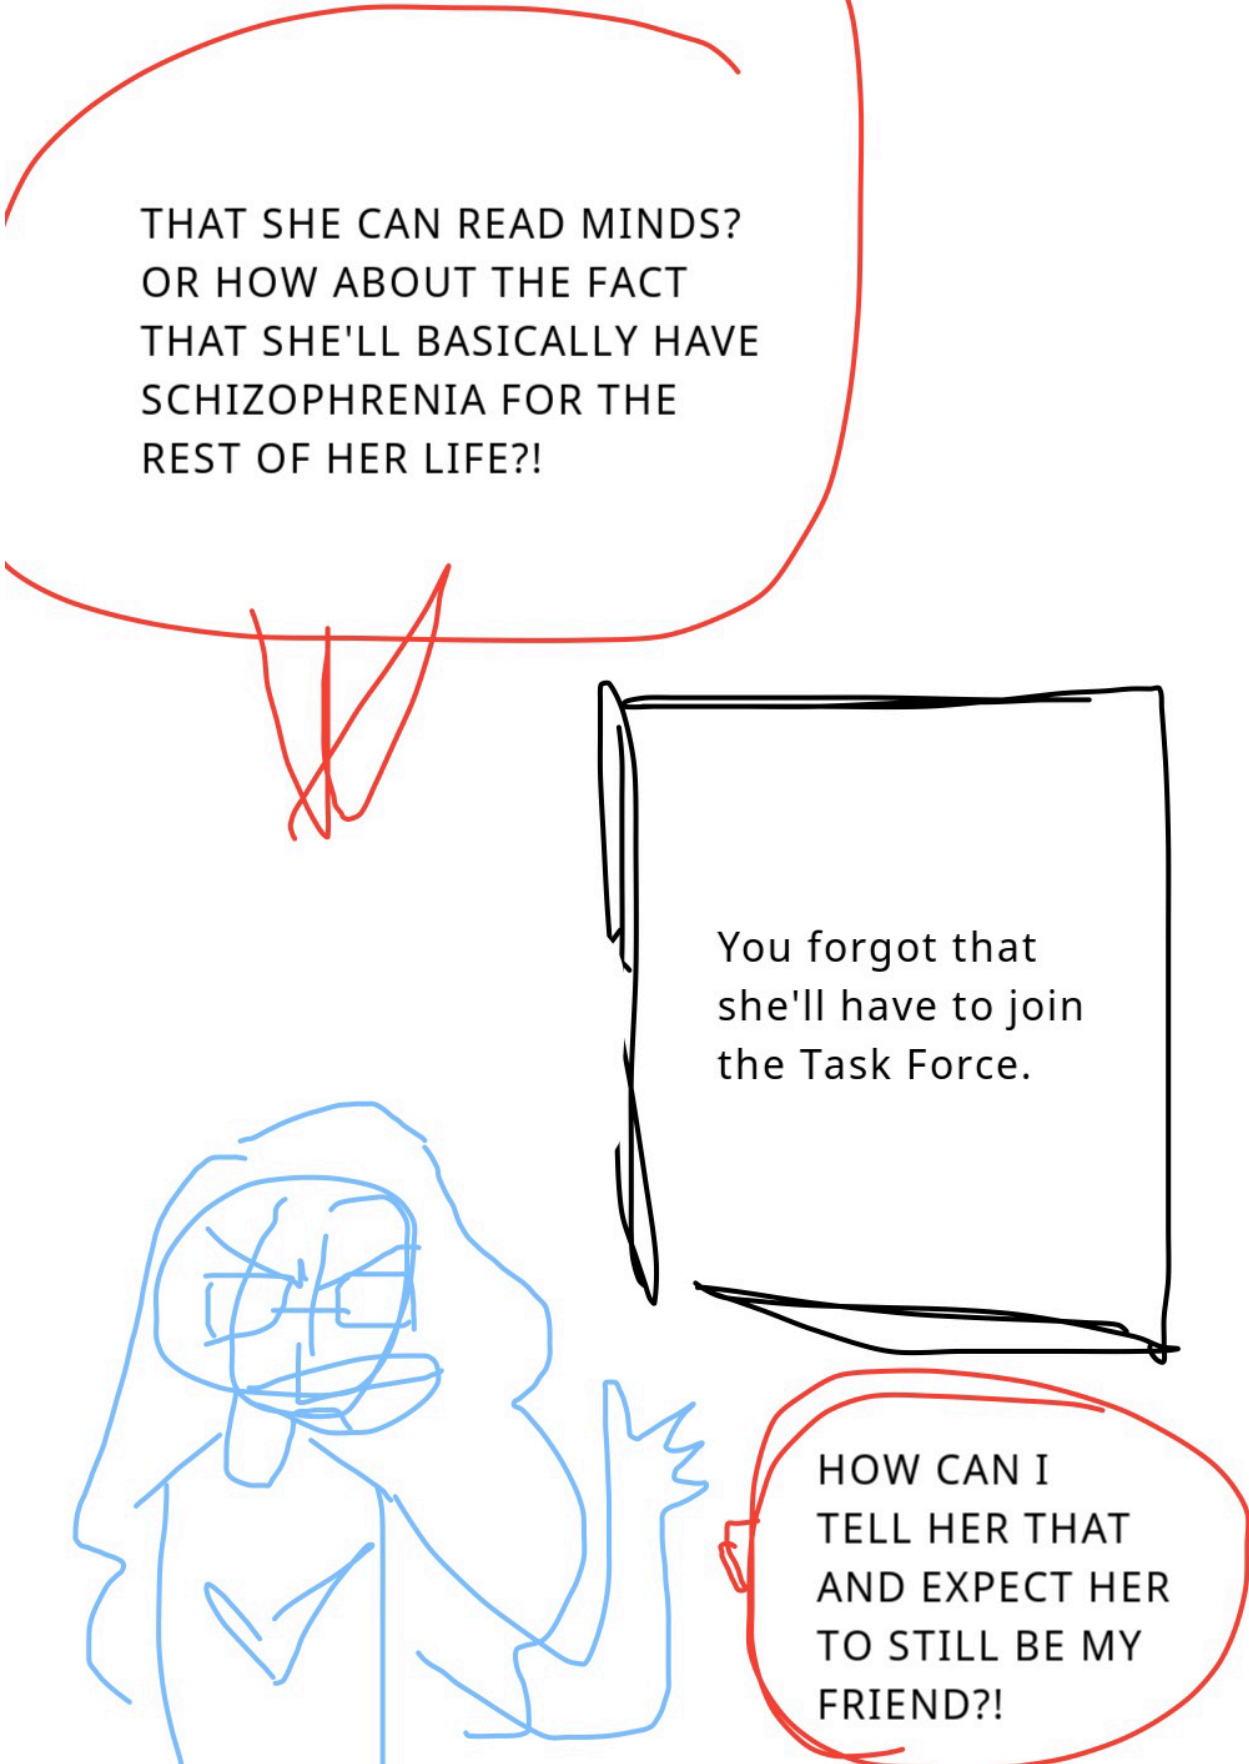

YOU  
NEED  
REST.

THAT SHE CAN READ MINDS?  
OR HOW ABOUT THE FACT  
THAT SHE'LL BASICALLY HAVE  
SCHIZOPHRENIA FOR THE  
REST OF HER LIFE?!

You forgot that  
she'll have to join  
the Task Force.

HOW CAN I  
TELL HER THAT  
AND EXPECT HER  
TO STILL BE MY  
FRIEND?!

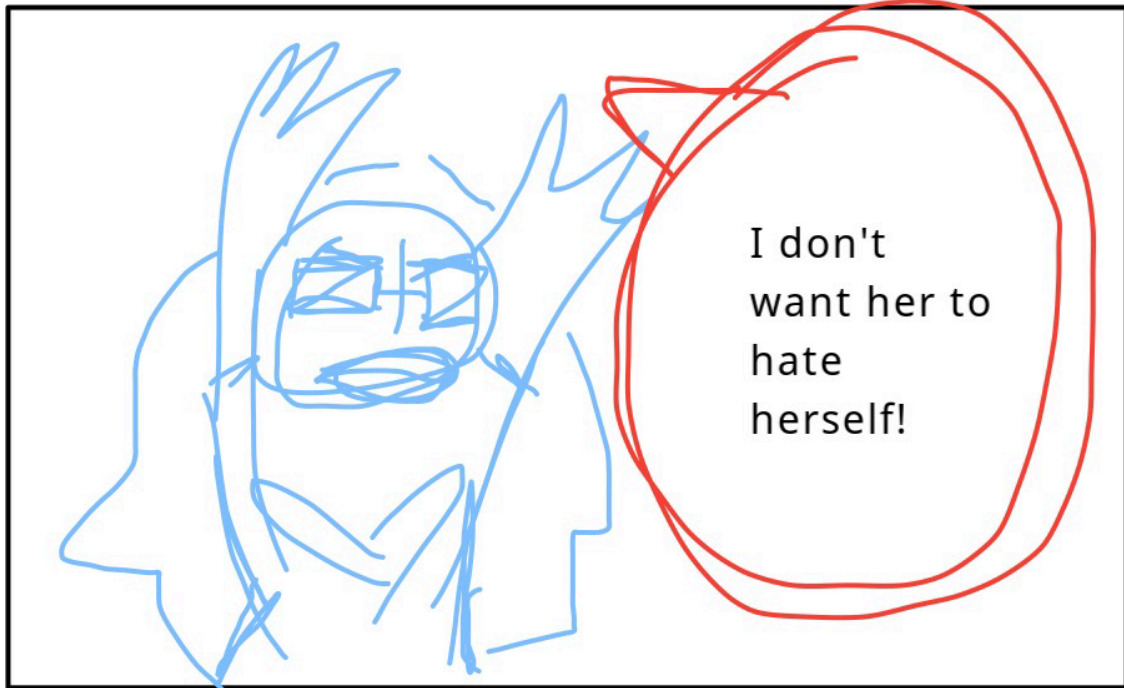

And there it is-  
The REAL  
Reason you  
Won't tell her.

You don't want her to end up like you.

You need  
to learn to  
follow orders.
