CPS Student Health & Wellness: Marketing Package

Text

Dear School Leaders,

We're reaching out once again to ask for your help connecting your school community with the healthcare services offered by the CPS Office of Student Health and Wellness (OSHW). As we get ready for the new school year, we're looking to make sure families are prepared and familiar with all available health services.

Thank you for your continued partnership and support.

Marketing Materials: Chronic Conditions

This month's marketing package contains materials related to the importance of helping students manage and treat chronic conditions and other health services. Attached, you will find Facebook, Twitter, and Instagram posts that you can share on your social media platforms, as well as an email to share with your families. If you have any questions about these materials, please email marketing@cps.edu.

- [CPS Student Health and Wellness Marketing Package](#)
- [Social Media Graphics - PNGs](#)

Additional Resources

- CPS Student Health and Wellness Flyer
[ENGLISH](#) | [SPANISH](#)
- Chronic Conditions Videos
<https://www.cps.edu/services-and-supports/health-and-wellness/chronic-conditions/>
- [Get Vaccinated Flyer](#)

To help families find more information on COVID-19 vaccines or schedule an appointment, please direct them to the district's [COVID-19 vaccination website](#). They can also visit cps.edu/cfbu, email us at **OSHW@cps.edu** or call the **Healthy CPS Hotline at 773-553-KIDS (5437)**.

Sincerely,

Office of Student Health and Wellness (OSHW)

Title

Back-to-School Health and Wellness

Text

If your student has diabetes, asthma, seizures, or a severe allergy, access to their prescribed treatments and medication is essential to a healthy and safe return to the classroom. Learn about reporting a chronic condition to your school and the accommodations available to students by viewing [the videos on this webpage](#).

If your student has a chronic condition, follow these four steps ahead of the new school year:

- Access the required forms for your student's health condition by visiting cps.edu/medicalforms or speaking with our school nurse.
- Ask your student's medical provider to complete and sign the forms.
- Bring the signed forms and medication to our school nurse for review.
- Work with our school to complete a 504 Plan/IEP or Emergency Action Plan. This will ensure our staff is prepared should an emergency arise.

By following these four simple steps, you can ensure your child has a healthy and safe start to the new school year.

Some other ways to look after your whole family's health this school year:

Redetermine Medicaid – Complete the redetermination process each year so you don't lose your Medicaid benefits.

Immigration Health Benefits – Check to see if you qualify for the new Illinois health insurance program for immigrants age 42+.

COVID-19 Vaccine and Boosters – All students are now eligible to receive the COVID-19 vaccine. Check with your pediatrician or visit cps.edu/vaccinations to make an appointment.

To learn more about all services that the CPS Office of Student Health and Wellness can offer, please visit cps.edu/cfbu or call the Healthy CPS hotline at 773.553.KIDS (5437).

Salud y bienestar para el regreso a clases

Text

Si su estudiante sufre de diabetes, asma, convulsiones o de una alergia grave, el acceso a los tratamientos y medicamentos prescritos es indispensable para poder regresar al salón de clases de forma saludable y segura. Obtenga información sobre cómo reportar a la escuela una condición crónica y las adaptaciones disponibles para el estudiante al visualizar los [videos en esta página web](#).

Si su estudiante presenta una condición crónica, antes del inicio del nuevo ciclo escolar, siga estos cuatro pasos:

- Acceder a los formularios requeridos para la condición de salud del estudiante visitando cps.edu/medicalforms o hablando con la enfermera escolar.
- Pedir al proveedor médico del estudiante completar y firmar los formularios.
- Llevar los formularios firmados y el medicamento a la enfermera escolar para revisión.
- Colaborar con la escuela y completar un Plan 504/IEP o un Plan de acción de emergencia. Esto asegura que nuestro personal esté preparado en caso que se presente una emergencia.

Al seguir estos simples cuatro pasos, puede asegurar que su hijo tenga un saludable y seguro regreso a clases.

Algunas otras formas de cuidar la salud de toda la familia durante el próximo ciclo escolar:

Redeterminar Medicaid: Cada año completar el proceso de redeterminación para no perder los beneficios de Medicaid.

Beneficios de salud para inmigrantes: Verificar si califica para el nuevo programa de seguro médico de Illinois dirigido a inmigrantes mayores de 42 años.

Vacuna y refuerzos contra el COVID-19: Todos los estudiantes ahora son elegibles para recibir la vacuna COVID-19. Consulte con su pediatra o visite cps.edu/vaccinations para programar una cita.

Para obtener más información sobre todos los servicios que ofrece la Oficina de Salud y Bienestar Estudiantil de CPS, visite cps.edu/cfbu o llame a la línea directa de Healthy CPS al 773.553.KIDS (5437).
