

BOY Acadience Reading Results

Student Tracking Map

From the Comparing Populations report in mClass, write the percentage of students that make up each benchmark level and grade for your school.

2022-23 BOY Acadience Reading Results

Grade	Well Below Benchmark	Below Benchmark	Benchmark	Above Benchmark
Kindergarten				
1 st Grade				
2 nd Grade				
3 rd Grade				
4 th Grade				
5 th Grade				
6 th Grade				

For the charts below, list the names of students in the column that applies to them for each grade level (in the Comparing Populations report in mClass, click the red, yellow and green bars to see students that fall into each of those benchmark levels).

While attending PLCs and observing Walk to Read, these are the students you can track to ensure they are receiving the intensive or strategic support they will require to meet later important reading outcomes.

Grade:

Students Who Are at Well Below Benchmark	Students Who Are at Below Benchmark	Students Who Are Barely at Benchmark
