Firstly, thank you so much for visiting my page! I'm flattered that you're interested in commissioning me - but there are a few things I'd like you to know, first!

Addition: Followers on Tumblr get a 10% discount on commissions.

Long time followers and previous commissioners get a 20% discount on orders over \$50!

Now that you're hungry, we get to the nitty-gritty TERMS OF SALE!

Terms Of Sale:

1) :

All of my art will contain a signature. It will not be very large and won't obscure the picture whatsoever. This is non-negotiable.

2) :

Once your commission is completed and paid for, you may upload it wherever you wish, HOWEVER, credit is always required.

3) :

I require 50% of the commission price to be paid before I will begin working, the other half being due when I deliver your finished artwork. I prefer it this way to keep both of us accountable. Payment is expected within 3 days.

4):

Prices are subject to change *only* during the pre-work discussion period, where we discuss what you want. Price increases are rare, but please know that the price is likely to go up if you want something uber-complex (more than 4 characters, extremely complex background/coloring, etc.).

5) :

STARTERS will not include a WIP sketch due to their simple nature. MAIN COURSES will include a WIP sketch and simple changes at that stage.

6) :

Please be aware of my art style and previous works. I am willing to try new things, within reason, but I can only work to the best of my ability.

THINGS I WON'T TOLERATE

Do not ask for multiple edits. I will begin charging you extra after the first two (2).

Do not ask me if I can do free art. I've got bills to pay.

Do not order a commission unless you understand you are buying art for real **USD**.

Do not ask me to lower my prices after we've agreed on a price.

Do not claim my art was made by you. It wasn't!

IMPORTANT: Do not bug me repeatedly about the status of your commission. I work as fast as I can, but do have a life outside of this. I will give you updates as soon as they are available. If you haven't heard from me in three (3) days, please feel free to send me a little nudge. But not every half hour.

Thank you so much for reading through this.
Now comes the fun part!

ORDERING!

For ordering, please send your references and your order from the list above to:

Baffleddingo@gmail.com

OR

send your request to

[Commission submission Forum](#)

Include any information I would need for your commission (references, poses, etc.).

I will get back to you as soon as I can, and let you know whether I can accept your commission, tell you how many orders are ahead of yours, and give you an estimated time of delivery!

Many, many thanks to all of my supporters!
