

Supernatural Gift: Demigod

You are the progeny of a mortal and a God (or Goddess). Granting you exceptional prowess even from a young age. Though raised on the mortal plane, a Demigod is exceptional in their abilities, and has the potential to do great things. However, their power is not free, and often a dark flaw lies in wait to humble them.

Godly Potential. Choose one ability score and increase your maximum for that score by 2. Your maximum for any ability score cannot be increased further through piety.

Divine Blood. You gain the additional creature type of Celestial.

Legendary Perseverance. You gain proficiency in Constitution saving throws. If you already have proficiency in Constitution saving throws, you may instead choose another saving throw.

Mythic Flaw. You must possess a Flaw, you may either choose or determine it randomly.

d6	Flaw
1	Hubris. You have excessive pride, leading towards your nemesis in defiance of both fate and Gods.
2	Wrath. When angered or slighted, you are prone to extreme violence and hate.
3	Sloth. You are hindered by your refusal to take risks and your avoidance of self improvement.
4	Gluttony. You indulge in the pleasures of life to the point of addiction, and suffer withdrawal.
5	Envy. You find yourself desiring and coveting that which you do not have, leading to discontentment.
6	Ignorance. You refuse to do that which you have not done before, and your arrogance leads you to follow the path of fools rather than learn from the wise.
