### SUSD Honors, AP or IB Notification

SUSD encourages all students to enroll in Honors, Advanced Placement (AP) or International Baccalaureate (IB) classes in subjects for which they have a strong interest. Benefits of participation in Honors, AP or IB Classes are:

- Advanced curricular studies in the selected subjects
- Consistently requires thinking at the highest levels
- Develops intellectual and social emotional skills
- Consistently aligned with college coursework
- Provides a foundation for college readiness
- Possible college credit available for passing AP and IB exams

Students who find success in Honors/AP and IB classes generally:

- Are academically ambitious and eager for intellectual inquiry
  - Have a capacity for abstract thought and an aptitude for analysis
  - Possess a love for learning
  - Are self-motivated to engage in classroom discussions and thoroughly complete assignments
  - Possess good time management skills
  - Complete recommended summer readings or studies (posted on individual school websites) to prepare for the content of the course
- **I am not taking an Honors, AP or an IB class and have signed below to acknowledge reading this form, explaining the benefits of those classes.**
- OR
- I have selected the honors/AP/IB courses listed below and initialed and signed the commitment form below

**Honors/AP/IB class requested:**

_____	_____	_____
_____	_____	_____

The following are expectations for success in an Honors, Advanced Placement or International Baccalaureate class.  
**By initialing below, you are agreeing to the following:**

- \_\_\_\_\_ If I start to struggle, I must follow the student/parent concern chart for any changes to be considered.
- \_\_\_\_\_ I commit to actively participate in class and group discussions (lessons), completion of all homework assignments and a strong, independent work ethic.
