

Round Rock ISD Visiting Author

Lalena Fisher

Book Order Form

The Canyon Creek Library is REALLY excited to host author, Lalena Fisher, on September 11. Lalena's first book, *Friends Beyond Measure: A Story Told with Infographics*, is such a unique and creative way to combine storytelling with not only Language Arts, but also math, science, and social studies. This story is so much fun with its engaging illustrations of charts, maps, and graphs that students might not even realize they are learning!

(Mrs. Bamford thinks this is one of the most original and awesome picture books she's seen in a long time :)

Scan Here to learn more about Ms. Fisher and her book!

If you would like to order a book to be signed by the author, please detach and return the bottom portion with payment by this Friday, September 1.

***Book sales for author visits are for your convenience and are not a fundraiser for the library.**

Payment Due Date: Friday, September 1

Student Name _____ Teacher/Grade _____
