Montgomery College Online Application Instructions

Accessing the Online Application

1. Visit the [Montgomery College Website](#)
2. Click on the red bar that reads "APPLY NOW"
3. Scroll down to the red bar that read "APPLY ONLINE NOW"

Application Step 1: Create First Time User Account

1. Click on the **"First time user creation"** to set up your temporary login for the application. You will need to create a LOGIN ID and PIN Number. **(Use your student ID # for the Login and PIN; it is the easiest way to create an account and to remember your login information)**

Application Step 2: Select Application Type

1. Select Application **Type A "New to College"**

Application Step 3: Apply For Admissions

1. Select Application Term: Fall 2026
2. Enter your First, Middle and Last Name
3. Click "**Fill out application**"

You MUST fill out all applicable sections in order to complete the online portion of your application

Instructions for the sections of the application checklist

● Name Verification
● Address and Phone Number
● Personal Information
● Non-Citizen Information (if you are a U.S. Citizen you will not need to complete this section)
