

Order and Progress Party

Party Constitution

1. Definition
 - 1.1. The Order and Progress Party is an autonomous, independent political party in Intiqilla.
 - 1.2. The name of the party can only be changed via an amendment to the Party Constitution.
2. Membership
 - 2.1. A member is someone who is in the party on Reddit, is roled as such on Discord, and has not been expelled or suspended from the party.
3. Leadership
 - 3.1. The party will elect a Leader, who will remain in position until they resign or are removed as specified in Section 3.3.
 - 3.1.1. The Leader will initially be elected via a Vote of Confidence after their initial appointment, should this fail, an election will open as specified in Section 3.1.3.
 - 3.1.2. Subsequent elections will be run as specified in Section 3.1.3.
 - 3.1.3. The Leader will be elected by Instant Runoff Voting.
 - 3.2. The Leader may suspend or expel members with reasonable justification.
 - 3.3. The Leader may be removed in a Vote of No Confidence triggered when two-thirds of the party agrees on a motion to do so. A leadership election as described in Section 3.1.2 is triggered, but must be completed within 3 days. The Leader

retains their position during this time but cannot exercise powers granted in Section 3.1.

- 3.4. The Leader can delegate, at their discretion, their responsibility to other members.

4. Amendments

- 4.1. Amendments to the Party Constitution, with the backing of no less than one third of the party membership, may be submitted to the Leader, who must schedule a vote on it no less than 30 days from the date the amendment was received.
- 4.2. The vote is a yes/no vote that requires an absolute majority of party membership voting yes to pass, after which it is to be added to the Constitution as soon as possible.
