SL:Maximize your sales using a simple tool.

Greetings, steve

To begin with, (insert compliment)

Perhaps you are wondering, "Why don't I generate more sales?" Unfortunately, despite your best efforts, nothing seems to be working?

I know this is going to sound crazy, but I'm here to make a modification for you in order to boost your sales and quickly get wealthy.

Yet you might be asking yourself, "How am I going to make it happen for you?"

I therefore came up with three email sequence ideas when browsing your website that you might use to increase sales and quickly get rich.

Would you like me to send it to you free of charge?

If not, do inform me so that I may update my records appropriately and make sure to remove you from my follow-up list.

You're all for that, right?
