Registration Lottery

Here's how it works:

- Application Window: **October 29th @ 12pm to November 2nd @ 6pm.** You may submit a registration application anytime during this window of time. The link to the application will be available on our website beginning **October 29th**. You will have the opportunity to apply for any of the casts for which you are available and will be able to list your choices in order of preference.
- After the window closes, each applicant will be assigned a number using a random number generator.
- Enrollment will follow the order of those assigned numbers.
- Families will be notified of their enrollment status and cast placement by **November 6th**.
- If offered a spot, you will have 48 hours to officially register your child via a link that will be sent to you.
- If you would like to apply for a need-based half or full scholarship, you can do so AFTER the lottery has ended and you find out which cast your child has been accepted into.

Additional Info:

- If you are applying for siblings and want them to be in the same cast, please list all children's names on one application. If siblings can be in separate casts, please submit an individual application for each child.
- If you determine after registering that your child is no longer available for the cast that is offered to them, we can put them on a "Swap List" and will contact you if there is someone in a cast that will work for you who wants to switch. ***You must officially register and make a tuition payment in order to guarantee your child's spot and to be put on the Swap List***
- If your child is offered and registers for a spot in a cast that is lower on your preferences, they will automatically be kept on the waitlist for the casts that are ranked higher on your preference list. HOWEVER, in order to make the program accessible for as many kids as possible, we will prioritize kids who didn't get offered a spot in any group.
- Cancellation Policy: As long as the cast is full and we are able to fill your child's spot in the program, we will gladly give a full refund up until role placement is complete. If the cancellation is made after role placement, a 50% refund will be given.
- We appreciate your patience and support as we continue to use this new system. Our goal is to create a more equitable process and take some of the stress out of registration day. Please reach out to admin@backyardkidstheater.com if you have any questions.
