Many different parishes and groups in the Deanery will take part, and it promises to be a very colourful and joyful celebration of our faith.

The children of our Catholic Primary Schools are invited to be a key part of this celebration. Children receiving their First Holy Communion this year will form a major part of the formal procession, but all local schoolchildren are welcome to be part of this wonderful occasion.

Please make a note of this date in your diary. More details and information will follow from your school as we get nearer to the day. We look forward to sharing this wonderful day with you and your children.
