Kaltura is the vendor tool behind AggieVideo, where you can record and save videos: <https://kb.ucdavis.edu/?id=06134>

10:46:15 From Kim McMullen to Everyone:

Can you show an example, if they select a certain answer, it skips to a different part of the video?

10:51:23 From Kim McMullen to Everyone:

Does it auto caption the audio?

10:52:02 From Margaret Merrill to Everyone:

Replying to "Does it auto caption the audio?":

Kaltura / AggieVideo does automatic captions for all video and audio, and then those captions can be brought into PlayPosit.

That is so cool!

10:56:19 From Margaret Merrill to Everyone:

We're 5 minutes to the end, so I'm going to launch our event feedback poll. Please feel free to move it to the side until you are ready to respond. I'll keep the room open for a minute after Stephanie is done to give you time to respond.

10:57:54 From Margaret Merrill to Everyone:

@Mayra Morales-Martinez This is the process you would do for your context.
