

# Duluth East High School and Denfeld High School

2022-2023

## Parent/Guardian Permission for Junior Student Lunch Release

For this year ONLY, Duluth Public Schools will be allowing 11th grade students to go HOME for lunch with parent/guardian permission. This will allow for greater social distancing for those students, and will allow for smaller numbers and more distancing in the cafeterias. The following conditions must be agreed upon and adhered to, or the student's privilege to leave campus for lunch will be revoked for the remainder of the year. **This is not an open lunch for our 11th graders;** we are allowing parents/guardians to approve their coming home for lunch for this year only.

1. The student may not leave campus until this form is signed and returned and they have the appropriate permission indicated on their student ID badge.
2. **They will not be allowed to leave unless they have their ID badge with this indicator on it. (If they don't have their badge with them they must remain in the cafeteria, no exceptions.)**
3. The parent/guardian is responsible for the student when they leave campus.
4. The parent/guardian agrees to allow the student to go home for lunch and verifies that they live close enough to get home and return to school ON TIME every day.
5. The student must be in their next class ON TIME.
6. The 11th grade student may not go to a public place to eat or purchase food.
7. The student may be required to document their location and anyone they were with in the car or at the home EVERY DAY. If we are required to complete contact tracing on that day, there will be a QR code posted at the doors for students to document.
8. This approval may be revoked at any time if the student violates any mandates or laws while they are gone for lunch or if they violate school policy while on campus. This includes refusal to comply should they be informed they must remain on campus for lunch any day.
9. This approval may be revoked by the school or district at any time if it becomes no longer necessary to reduce numbers in our cafeterias.

By signing this form, you agree that you have read and understand these stipulations and that the student will abide by them at all times. You understand and agree that the student may lose this privilege and be required to remain on campus for violation of the conditions, policy, or law.
