

September 2024

Welcome to Carney Kindergarten!!

We are so excited to get this year started and can not wait to meet all of our new friends and families!!

There is so much to learn in Kindergarten! Our new friends will be building words, reading, and writing before you know it. We will be working with numbers, adding, and subtracting too. Not to mention all of the science, social studies, and crafts we will be making. We will be very busy right from day one!!

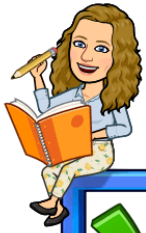

Be on the lookout for more information regarding Kindergarten Orientation (before K starts).

Our first day of K is
Tuesday September 3, 2024.

We are **so** looking forward to it!! See you then!!
