

Environmental Policy

The Passage of the Endangered Species Act

Name: _____

Section: _____

Score: ____/5

Directions: Work through the legislative process the Endangered Species Act (1973) went through from first introduction through its signage into law. Draw arrows on the diagram below to trace the process that the Bill actually followed and write in the names of any important politicians (+ political party), dates, remarks/justifications. Use the Ballotpedia Article on the History of the ESA to help you find the required information
