

'Current events'!

Boots and Bands — we just held it at the beginning of this month. It was a great night, with a live country band and line dancing, all in support of the YWCA.

Tacos and Tequila is coming up this fall — featuring authentic Mexican fare, salsa dancing lessons, and a fun night of fellowship.

Our long-running Rotary Roses for Thanksgiving campaign continues as well — now in its 40th year — raising funds for Rotary projects both locally and around the world.

This will be our second year participating in a multi-club on-line auction in November – 8 clubs collect hundred's of items that go on sale for 2 weeks in November – watch out for details!

And on June 17, we're hosting a no-cost event at Tapestry Hall focused on raising awareness of human trafficking in our city and region.

We're also introducing something new in our 100th year — the Rotary Duck Race. On Sunday, June 14, 1,400 plastic ducks will be launched from the Park Hill bridge into the Grand River — a first for Downtown Galt.

Our Rotary Golf Tournament is just under four weeks away, on Monday, May 25. This year, we're once again supporting our local veterans — specifically helping unhoused veterans find safe shelter and gain access to essential resources.

And the closest event we are hosting, Thursday May 7th, our latest addition of EuchreFest!

You can find more details about all of these initiatives on the table in the hallway — please take a look and consider getting involved!

Thank you.
