

Cocktail Hour & Reception Menu & Bar Menu

Note from host

We won't have the chance to sample the food before the wedding, so we can't personally vouch for its taste, but I hear Costa Rica has amazing food! If you have any food allergies or dietary restrictions, we sincerely apologize in advance. We've selected the largest buffet option available in hopes that there will be something for everyone to enjoy.

Thank you for understanding, and we can't wait to celebrate with you!
