

FOIA SUBMITTED ON 9/16/2021

Dear Sir or Madam,

May I please request the following data for the United States, and it's states:

1. Number of Covid19 cases & non-cases (e.g.: pos. & neg. tests -OR- pos. & total tests)
2. Number of Covid19 hospitalizations
3. Number of Covid19 ICU admissions
4. Number of Covid19 deaths
5. Number of all-cause hospitalizations
6. Number of all-cause ICU admissions
7. Number of all-cause deaths

1-7 all grouped by:

- a. jurisdiction
- b. age group
- c. date (year, week)
- d. Covid19 vaccine status (see below)

Covid19 vaccine status should be provided by number of doses administered:

- I. No doses
- II. 1 dose
- III. 2 doses
- IV. 3 doses
- V. Unknown

Example: "1. Number of Covid19 cases & non-cases"

Jurisdiction	Age Group	Date	# of Covid19 doses	Covid19 Cases	Covid19 Non-Cases
United States	0-24	30/2021	0	100	2000
United States	0-24	30/2021	1	100	2000
United States	0-24	30/2021	2	100	2000
United States	0-24	30/2021	3	100	2000
United States	25-44	30/2021	0	100	2000
...	...	...	...	...	...

In order to comply with all privacy regulations, please suppress any personal identifiable Information and/or results that would be too small. In case not all of the above information is available, please provide the available subset, and direct me to the correct institutions that have this kind of data available.

Please let me know if you have any questions.
Thank you for your time and effort.

Kind regards,

BM
