

Creating a PowerSchool Parent Account

1. Contact your student's school to obtain your **Access ID** and **Access Password** for each student.
2. Go to eagleschools.powerschool.com
3. Click on the **Create Account** tab. Then click on the Create Account blue button.

The screenshot shows the PowerSchool website's sign-in page. At the top is a dark blue header with the PowerSchool logo. Below the header, the title "Student and Parent Sign In" is displayed. There are two tabs: "Sign In" and "Create Account". The "Create Account" tab is selected. Below the tabs, the heading "Create an Account" is followed by a paragraph explaining that a parent account allows viewing all students with one account and managing preferences, with a "Learn more" link. A blue "Create Account" button is located at the bottom right of the form area.

4. Enter information as prompted (choose your own username and password).

The screenshot shows the "Create Parent Account" form on the PowerSchool website. The form has a dark blue header with the PowerSchool logo. Below the header, the title "Create Parent Account" is displayed. The form contains several input fields: "First Name", "Last Name", "Email", "Desired Username", "Password" (with a strength indicator), and "Re-enter Password". At the bottom, there is a "Password must:" section with a requirement: "•Be at least 6 characters long".

5. Scroll down the page and open the "Link Students to Account" section. Enter your student's name and the Access ID and Password that you obtained from your student's school. Choose the appropriate relationship to your student.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1

Student Name	
Access ID	
Access Password	
Relationship	-- Choose v

6. Complete Step 5 (above) for each student's account. Scroll down and click on **Enter**.
7. Once you have completed all the steps, you will use your CHOSEN username and password to log into eagleschools.powerschool.com from here on out.

Mobile App Instructions

1. You must first create an account in the PowerSchool Parent Portal (see instructions above).
2. **AFTER** you have created a PowerSchool Parent Portal account, you will be able to add and log in to the PowerSchool mobile app on your phone or tablet.
3. You can find the app in the app store by searching for PowerSchool. The app is called "PowerSchool Mobile."
4. When you set up this app, you will need to enter the district code: **WSWG** (all caps).
5. Use the username and password you created when you set up your account.
