

September 30th, Bi-weekly meeting ... Notes by b t

Turnout: 19

1. Confusion with Army RP (Wimsickle)
 - a. Jay is leading one (Wimsickle)
 - b. Oblivion is leading another (Wimsickle)
 - i. Changes can be made in the future (Ink)
 - c. RP between cops and military isn't very good for someone who is ex military (Wimsickle)
 - d. Not wanting to open fire on military, they are not LEO (Wimsickle)
 - e. Don't want conflict between government branches (Wimsickle)
 - f. OK with military but RP needs to be better (Wimsickle)
 - i. Going forward, we'll make sure it's not as big of an issue (Ink)
 - g. More structures (Marines, Army, Navy, etc.) will create less confusion on who is who (Nitro)
2. Overall server performance (Wimsickle)
 - a. Locked at 2gbs of ram, menu lag, lag around cops (Wimsickle)
 - i. Custom launcher might help, could be janky (OMGWTFnamestaken)
 - b. Back in the day, it was a lot better (Wimsickle)
 - i. Frame cap restriction (Panda)
 - c. Need to restart game sometimes (Spock)
 - d. Texture loss (Clapxy)
 - e. Falling through map (OMGWTFnamestaken)
3. More skin options (Blossom)

- a. Faces, clothing, hairstyles (Arch, OMGWTFnamestaken, b t)
 - b. More options just in general**
 - c. Glitchy clothing, especially for girls (Blossom)
4. More cars you can see everyday (Wimsickle)
- a. Add a O'reilly's or Auto Zone to get parts before you get to mechanics
(Wimsickle), spark plug for example
 - b. Something in other cities (OMGWTFnamestaken)
 - i. It could also add rp for Mechs
 - c. Even mech could come down to the part store, can calculate actual prices for person to pay
 - i. Maybe make people wait a certain amount of time before picking up their car (RDK)
 - d. Variance of prices (Arch and b t)
 - i. A more broken engine should be more pricey than a less broken engine, for example (b t and Arch)
 - e. Could create RP for totaling RP (Wimsickle)
 - i. "Repair is more than car is worth, might as well total it" (Wimsickle)
 - f. Overall, there can be more general car rp with parts, paint jobs, etc. (Wimsickle)
 - i. Great idea, but it is already available, no one is doing it rn but go ahead (Ink)
 - g. On topic of cars, maybe slow things down (OMGWTFnamestaken)
 - i. Please make post if not handling realistically (Moyee)

- ii. Should not be using your own vehicle to rob a bank, unrealistic (OMGWTFnamestaken)
 - h. Change impound lot or add a “seize” type thing (OMGWTFnamestaken)
 - i. If you get in major criminal trouble with your car, car should be impounded but there should be a time cap on it, not just immediate (OMGWTFnamestaken)
- 5. Bank robberies (Wimsickle)
 - a. Script solution or roleplay solution to circle in banks (Wimsickle)
 - b. Potential for people to get out before cops show up because alarm goes off after dirty money already claimed, just won’t get as much as with a full robbery. Using card that is. (OMGWTFnamestaken)
 - c. Change pacific standard bank to require more cops. Just too big (OMGWTFnametaken)
 - i. Make an event? (OMGWTFnamestaken)
 - d. Add a minigame during swipe events? (Ink)
- 6. Growable food sources, like actual agriculture, not weed (Arch)
 - a. Farm like enterprise. Farm grain for example, moving down the chain to bread (Arch)
 - b. A lot of areas in Grapeseed not being used, this could be a solution (Arch)
 - c. Hamburgers and water mundane and doesn’t feel like very good RP (Arch)
 - d. Truck idea to deliver to convenience stores (Wimsickle)
 - e. Truck with rake (Arch)
- 7. Crafting more things, like illegal weapons (OMGWTFnamestaken)

- a. Good for RP, parts can be found across city and county (OMGWTFnamestaken)
 - i. Make sure they are mk 2 to make it fair (Depression)
 - b. Currently, only way to get illegal weapons is to just buy them, not very great RP (b t)
 - c. Forcing crims to actually do the work, maybe creating more balanced shoot out scenes (b t)
 - d. Require to pay in dirty money to get parts? (Ink)
 - e. Different places in city and county craft different guns (OMGWTFnamestaken)
8. Bring back trucks that deliver things like gas to gas stations (Wimsickle)
- a. Taken out cause it was breaking server (Ink)
 - i. Could look back into it (Ink)
