

Welcome to Pueblo, Colorado!

Your Unofficial Guide to Parties & Great Spots
State Assembly 2026 Edition // March 27 + 28, 2026

Howdy, y'all!

Whether you're a candidate, a beleaguered staffer in dire need of fried food and a drink, a delegate, or just a happy Democrat excited for a big weekend, Pueblo has you covered.

Some of the best food in the entire state can be found in Pueblo, and we're grateful to the campaigns and organizations for hosting fantastic events in town to show off the best Steel City has to offer.

One of the best things about having this event in-person is the chance to welcome Coloradans from across the state to support local businesses, break bread, and make new friends. We'll update this guide as new events pop up -- happy eating, drinking, and partying!
