

Our Services

We create music for multimedia, live performances, advertising, film, and TV. We work with projects of any scale.

1. Composition or Arrangement

- Original music based on your brief, or an arrangement of an existing piece.
- You receive a PDF score, XML file, and MP3 demo.

Price: €200–400

2. Full Audio Track

Options:

1. *Programmed instruments* — realistic sound, WAV multitrack + MP3 demo.
€100–300
2. *Live instrument/vocal recording* — natural, authentic sound.
€80–300 per instrument
3. *Hybrid approach* — a combination of live and virtual instruments.
Price = items 1 + 2
4. *Songwriting* — lyrics, melody, harmony + demo.
€400–800

3. Mixing & Mastering

Final stage before release: stereo master + technical track versions.

- **Standard package:** stems, live performance versions..
€110-500
- **Extended package:** editing, Spotify/Apple Master, Dolby Atmos.
€150–800

4. Music Production & Project Management

Creative support, artistic direction, project supervision, and access to our freelancer network.

Price is customized based on project scope.
