Question

- How to navigate to the list of Organisations? (National Societies in the case of RMS. RMS doesn't have a list of these on the home page).
- How do we navigate to filter each of these pages by Organisation / Office / Warehouse?
- How could assessments fit into this structure? (See Assessment Mockup: https://docs.google.com/drawings/d/1H0eVx1W__5brsSvArKw1-oL60LCpqwDDuK1c1tbSCOE/edit)
