

2026 Intensives

Each academic year, we offer two intensives. These focus on experiential learning and hands-on practice to compliment your studies. They also offer a chance to connect in person with educators, fellow students, and the Metavision support team.

Due to the reflective nature of this work, we recommend you have an established relationship with a counsellor or psychotherapist before attending. Please ensure you can contact your support person during the Intensives if needed.

The Welcome webpage and Moodle will be updated ahead of each intensive to ensure all relevant information is readily available. Please ensure you refer to page 2 of this document for further information, and should you need any assistance, contact the team at enquiries@metavision.edu.au

November Schedule:

Semester Two	November									
	4th	5th	6th	7th	8th	9th	10th	11th	12th	
		Units 205 - 208			Completion Ceremony		Units 101 - 104			
							Units 105 - 108			

Please Note:

- **Completion Ceremony** – Please feel free to come along and support your peers as they celebrate their milestone and successful completion of their course. *You do not need to be in your final semester to attend and share in the celebration.*
- **Attendance:** Online attendance is not available due to the nature of the intensives. We strive to provide a safe container that allows all students to be held at these events, and online participants can compromise this objective.
- **Times:** Intensives run from 8.30am – 4.30pm.
- **Half Days** – Half-day intensives are only applicable to units 205 -208 in 2026.
- **Location:** All intensives for 2026 will be held at the Eco Centre.
- **Logbook:** We recommend you keep track of your attendance hours with a personal logbook. Please ensure it is signed off by a staff member before leaving.

What To Bring

To help reduce washing of cups please bring your own water bottle to refill with filtered water onsite plus a reusable coffee cup.

There is a student café located approximately 15 minutes from the Eco Centre. Whilst you are welcome to use this, it is open only during the weekdays and takes a large portion out of your lunch break.

It is recommended you bring your own lunch and snacks. There is a microwave and fridge available for use at the Eco Centre.
